Subject: ETTU Executive Board decision on the European Club Competitions season 2019-2020 – club ranking

Dear friends,

The ETTU Executive Board discussed at its recent meeting on 6th May the club results / rankings of the 2019-2020 season.

As the losing Quarter-Finalists have the equal 5th position, the EB decided as logical consequence to declare all clubs having reached the Semi-Finals, as the competitions' Semi-Finals and Finals have been cancelled, as 1st positioned / ranked for the 2019-2020 season.

ETTU is not committed to any further financial or whatever else obligation due to this decision, which is purely of a ranking aspect.

The 1st ranked/positioned clubs in ECLW 2019-2020 are:

TTC Berlin eastside (GER)

Linz AG Froschberg (AUT)

KTS Enea Siarka Tarnobrzeg (POL)

TT Saint-Quentinois (FRA)

The order of the 1st ranked/positioned clubs as above is determined by the 2019-2020 seeding list ranking but irrelevant in order as all are equally 1st ranked/positioned.

Kind regards

Pierre Kass

ETTU Deputy Secretary General
